

Customer experience journey map

Use this framework to better understand customer needs, motivations, and obstaclesby illustrating a key scenario or process from start tofinish. When possible, use this map to document and summarize interviews and observations with real people rather than relying on your hunches or assumptions.

Document an existing experience

Narrow your focus to a specific scenario or process within an existing product or service. In the **Steps** row, document the step-by-step process someone typically experiences, then add detail to each of the other rows.

TEAM ID: PNT2022TMID17702

experience, move each these "Five Es" the left or right depending on the scenario
